[Young Deuces Verse]

I'm the best to ever do it, Yes ya boys clean
Hat match's da sneaks and da jewelry so mean
Can't believe Young Deuces only 19
My fit da flyest thing you done ever seen
800 makes ya lean, and bounce like a 6-4
You lame dudes get gassed up like Citgo
I understand you be hatin' a lot
You work full time still ain't makin' a lot
I'm a hustla, I come and throw base on da block

That's why I flood so many diamonds in the face off my
watch

You got no street smarts, you'll waist on da block
Da type dat'll go and try to sell base to a cop
Listen homie you ain't fresh as me, I'm da best they
see
My Cologne got them thinkin' they on ecstasy
So why you tryna stand next me
Man you need to back down
Let me put my mack down
I'm FRESH

[Chorus]

[Scratches] I'm Fresh

Hat low, Jewels Gleaming, Oh Yes!
We be on da dance floor not to break a sweat
Step once to the right, once to the left (GET EM UP
NOW!)

[Scratches] I'm Fresh

Hat low, Jewels Gleaming, Oh Yes!
We be on da dance floor not to break a sweat
Step once to the right, once to the left (GET EM UP
NOW!)
