[Verse 1:]

Let's take a trip lil daddy you and me
Just bring the tools I got the recipe
I'll be a doctor I'll cure ya needs
Put down ya wallet I got the recite
We can do it big we can tour the whole world
Rockin them diamonds too hood for them pearls
Straight for the top if you rolling with D
Call me ya locket cause you got the key
Baby we can do anything that you want
Drink us some Goose or roll up a joint
You want to get loose I'm a spice up ya life
Turn off the light cause tonight is the night
MTV in the room wildn out
Started on the bed ended up on the couch
Just keep it real cause I'm a keep it G
Bonie and Clyde together we can be

[Chorus: x2]

I'll be your queen if you get with this
Ride for the team if you get with this
Lie for the team if you get with this

Come on boy let's take a trip

[Verse 2:]

Boy don't you know you the bass to my speakers

(Boom boom boom)

In the bed he's a keeper

Making me feel like I never felt before

I put it in his life now he begging me for more

Call me xcape cause you're my litte secret

I gave you my heart and I hope that you keep it

Feelin like jodeci baby I'm feenin

Real thug passion the dick got me screamin(screamin)

Lookin in your eyes and I just had to wonder

What I woulda did if I didn't get the number

Last summer I felt so weak first time I seen ya

Bye bye hatas I wouldn't wanna see ya

Let's take a trip on a cruise to jamacia

Chillen on the beach slow wind I'm a make ya

Drink some drinks get real wasted

Gon use a tounge hell yeah you can taste it

[Chorus]

[Verse 3:]

Lil daddy you my bust it baby (bust bust it baby)

The dick so good drive drive me crazy

I want it all day and I want it all night

It's been a couple months so my katt so tight

I love the way you moving when you do your thang

Sometimes I'm too loud when I'm screamin your name

Strona D I'm a queen and I'm ready for a king

Got me so gone he's the feathers to my wings

Just thik me and you on a jet

Kissin on my neck now my tighty gettin wet so wet

In the room now you sweating I'm such a bad bitch now
teach me a lesson

[Chorus]
