Truth and justice belong...  
To you, behold the power of his undying sacrifice

As a sanctuary for the wounded

In the council of perfection

All creation stands as a witness  
All creation stands as a mark of your will

Wisdom (like an ocean) hides behind your eyes  
Darkness, divided, by your fallen tear  
There the wicked cease from turmoil and the weary are  
at rest  
All sacrifice and all suffering is redemptive

Formed, in the palm of GOD's mighty hand  
Shaped, by the work of his will  
And alive from the breath of his loving heart  
Man's inspiration, is GOD's touch on the quickened  
nerves of the spirit

Enflamed by your unquenchable fire  
I stand in the Spirit of conquest  
Through you, I am created to conquer

Fleeting, living life of calamity  
Forces unseen are controlling my destiny  
We're not at the mercy of fate  
Fears born of this world are groundless  
Lord, teach me and I will be silent

Word made flesh, we long to hear you  
You are my advocate, my mediator  
With complete power and perfect love  
You alone hold the scales of judgement
