Not a tie to this world above its reproach
I laugh in the face of the folly it gives
Way to remaining strong in and true to you
Oh lord your commands guide my paths they
Keep me pure hopelessly trying to break my
Stand but i am blind to these worthless
Attempts at me the weakness i overcome has

Now become my strength the strength i have
In you what i did for pleasure has been
Brought to task i will never slide denying
The foolish ways of my past what i once
Partook of is cleansed at last i've seen
The truth i've seen the light
This revelation i now fight
