Welcome to my never, never, never world
Come with me
I'll bring you peaceful sleep
Retarded memories my
Heroin hold it in
If smoke gets un your eyes, i apologize
Welcome to my hello, hello, hello world
Going down a one way street
Footsteps in the gallery
Sleep!
Retarded memories my
Heroin hold it in
If smoke gets in your eyes, i apologize
I am all you'll ever need
I am the child messiah
Jesus christ is dead
The butterflies are lost inside
