Hell in a bookbag  
I hope i don't look bad  
Everything's squared away  
How far did you go?  
What was the story? everyone feels the same way!  
order up is here  
So glad you're leaving  
You sped here and you'll  
Speed away!  
Woke in the morning  
And i told her i loved her  
Hell blackbird  
Goodbye  
Goodye, bye-bye  
Class is in recess  
I wonder what she says  
I'll sneak away when she looks away  
How far will i go?  
And what was the story?  
Everyone saus the same thing!  
Goodbye
