I'll make things right
I'll break your fall
Unshatter glass
And fix the wall you gave to me
Wish me away and I'll be gone
I didn't mean to block your sun with
My shadow

Chorus:

I'm going where I'm wanted in my dreams
I'm going where I'm wanted in my dreams
Sleep on the floor
Uncovered mattresses and cigarette burns
In the blanket that I made for you
And I wasn't sure just what to say
Guess I got scared and ran away, hey

Repeat chorus

Perfect

I'm sure I've felt this way before
Dear God it hurts so bad sometimes
This time I feel it's something more
How could I ever be so blind? hey

Repeat chorus

Maybe you'll be there
