Don't act like that
Don't shut me out
Like I'm a stranger and she's not
You're all I dream
Violet delight
You wake me in the night
CHORUS:
It's rare that I should care this much
It's stupid that I want your touch
But now I understand
That you can't live with all I am
Don't wake me up
I'm someone new
The perfect girl who's right for you
I want it all
I want the pain
When you are gone it rains
REPEAT CHORUS
Orchestra drown me
I'm deaf in sound sleep
REPEAT CHORUS
