And she was lying in the grass  
And she could hear the highway breathing  
And she could see a nearby factory  
She's making sure she is not dreaming  
See the lights of a neighbor's house  
Now she's starting to rise  
Take a minute to concentrate  
And she opens up her eyes

The world was moving and she was right there with it  
(and she was)  
The world was moving she was floating above it (and  
she was) and she was

And she was drifting through the backyard  
And she was taking off her dress  
And she was moving very slowly  
Rising up above the earth  
Moving into the universe  
Drifting this way and that  
Not touching ground at all  
Up  
above the yard

The world was moving and she was right there with it  
(and she was)  
The world was moving she was floating above it (and  
she was) and she was

She was glad about it... no doubt about it  
She isn't sure where she's gone  
No time to think about what to tell them  
No time to think about what she's done  
And she was  
And she was looking at herself  
And things were looking like a movie  
She had a pleasant elevation  
She's moving out in all directions

The world was moving and she was right there with it  
(and she was)

The world was moving she was floating above it (and  
she was) and she was

Joining the world of missing persons (and she was)  
Missing enough to feel alright (and she was)
