When will it end?  
This looking for food  
I scavenge the ground  
and eat rotten fruit  
that falls outside Your walls

When will I simply love You  
and move into the garden?

What I refuse  
You will use to surround me  
I spit out Your seeds  
and You grow all around me  
even my poison flowers in You

When will I simply love you  
and move into the garden?

When will it end?  
You keep looking for food  
I should be shrinking  
to fit in Your palm  
I should be rising  
up to your lips  
lucky for me  
You scavenge the ground  
and eat rotten fruit
