With all the love in my life  
Burning a body down  
With all the love in my life  
Burning a body down  
till the flame is clear

Love is burning the body white  
color of a lie thought of as a life  
burn the body white

Love is burning the body black  
all of my beliefs turning into ash  
burn the body black

As I love you

\*\*\*\*\*

As you love me  
till the flame is clear

Love is burning the body red  
color of a child screaming in my head  
burn the body red

Love is burning the body blue  
color of our sins melting into you  
burn the body blue

As I love you

\*\*\*\*\*

As you love me  
till the flame is clear

With all the love in my life  
Burning a body down  
till the flame is clear

Gold, gold  
burn the body gold  
Gold, gold  
color of a tear  
Gold, gold

as we disappear  
color of a tear

With all the love in my life  
burning a body down
