### "Whisper"

I heard a whisper  
behind my eyes  
it said "whoever sees me dies"

I heard a whisper  
behind my throat  
saying "no words now, only notes"

Chorus:  
And I cannot know what  
keeps whispering these darts  
I am at the mercy  
of the voice behind my heart

I heard a whisper  
behind my will  
saying "I pour into what is still"

I heard a whisper  
behind my fear  
saying "come here"

Chorus

Wounding me  
with all these  
little arrows

Somehow grace can take the deaf  
and put an ear inside their chest

Chorus
