Room for promotions working at Burger King  
Room for promotions working at Burger King

Life's the pits, school's a drag  
I'm a know-it-all but I hate to brag  
Mom and dad got on my case  
and everybody else crowds my space  
quit school school, left my home  
lookout world I'm on my own  
search for work and on t.v.  
I saw my opportunity  
Room for promotions working at Burger King

It's true I wear a polyester uniform  
and my manager is just out on parole  
but I get my french fries free  
and my pop is just half price  
and when you're only making \$3.15  
that's pretty nice

I made employee of the week  
my self esteem had reached it's peak  
thought I'd ask a raise in pay  
I planned the words that I would say  
"There's room for promotions working at Burger King"

My friends can laugh and make their innuendoes  
but someday I'm gonna work that drive through window  
and if by chance I don't, don't laugh or treat me rude  
cause if I have the urge to, I can still spit in your food

The boss refused my raise in pay  
I turned my back and walked away  
there's no room, no room  
there ain't no room at all  
no room for promotions working at Burger King

So now I'm off and working at McDonald's  
they treat me right I earn \$3.65  
and the manager is nice to me, he's never been in jail  
but last week he tried to kiss me and the guys call him
