Think of your fellow man
Lend him a helping hand
Put a little love in your heart

You see it's getting late
Oh, please don't hesitate
Put a little love in your heart

And the world will be a better place
And the world will be a better place

For you
(For you)
And me
(And me)
You just wait
(Just wait)
And see, yeah

Another day goes by
Still the children cry
Put a little love in your heart

If you want the world to know
We won't let hatred grow
Put a little love in your heart

And the world
(And the world)
Will be a better place
And the world
(All the world)
Will be a better place

For you
(For you)
And me
(And me)
You just wait
(Just wait)
And see, just wait and see

Take a good look around
And if you're looking down
Put a little love in your heart

I hope when you decide
Kindness will be your guide
Put a little love in your heart

And the world
(And the world)
Will be a better place
And the world
(And the world)
Will be a better place

For you
(For you)
And me
(And me)
You just wait
(Just wait)
And see

Everybody
Put a little love in your heart
Put a little love in your heart
Take a little time after today

Put a little love in your heart
Everybody needs a little love
Put a little love in your heart
Put a little love in your heart

Yeah, somebody needs a little love
Yes, you do
Put a little love, yeah
Ohh, ohh, yeah, yeah

Put a little love in your heart
We all need just a little love
Put a little love in your heart
Everybody needs just a little love

Put a little love in your heart
Come on everybody
Put a little love in your heart
