Years have gone by, surfacing are those memories  
You took my only breath and controlled what my eyes  
could only see  
Locked behind closed doors, Please Let Me Out  
Trapped behind closed doors, Someone Please Let Me  
Out

'cause' I'llâ€!  
Crack, Break, Beat, Bash, Burn, Throw  
Kick and Scream  
Lash out, Cause Pain, Don't care I'm Insane,  
Make People Bleed!  
Crack, Break, Beat, Bash, Burn, Throw  
Kick and Scream  
Break Out, Go Nuts, Feel Free, Fuck it up  
Make People Bleed!  
Go!

Violence all around  
I'm Stuck In Kaos  
Peace can't be found  
'cause' I'm Stuck Inâ€!  
Kaos

Why do I try convincing you that it was not me  
Sentenced until my death and you know that I will never  
be free  
Locked behind hose doors, Please Let Me Out  
Trapped behind closed doors, Someone Please Let Me  
Out

Stuck!  
In!  
Kaos!  
'cause' I'm Stuck In Kaos!  
X2  
Why!?
