Come On!
Get Up! X3

Well I'm about toâ€¦ Self Destruct
Well I'm about toâ€¦ Self Destruct
Well I'm about toâ€¦ Self Destruct
Well I'm about toâ€¦ Explode!

I recall a time, A dream in your mind
I dissolved into myself, You were delusional
These voices that I hear, Where are they coming from
What is real what is real, Nothing
Come on, Come On, Come On
When pain is all that's left
Come on, Come On, Come On
Save your sanity
Come On, Come On!

Chorus
Destruct Your Mind or it will over take you
You've got toâ€¦
Destruct Your Mind or it will over take you
Destruct Your Mind or it will over take you
You've got toâ€¦
Destruct Your Mind or it will over take you
Destruct Your Mind, Destruct Your Mind

Slipping through the cracks, Isn't so fun now
This poison in my veins, Shit it's killing me
So this is what it feels like, To be in Hell
It's not so bad, It's not so bad, Fuck You
Get Up, Get Up, Get Up
Get out of your own Blood
My God, My God, My God
What have I done
Get Up, Get Up, Get Up
You know what you must do
Get Upâ€¦Get Up

'Repeat Chorus'

'cause now there's nothing to feel, nothing is real,
Nothing
Except for the knife against you neck
Now there's no one to trust, I'm delirious, Why
Get the Fuck out Now!
You had to take it, take it and take it and take that shit
again
Now you must suffer, fuckin' suffer, suffer for your
sins
It's true It's true, That everything comes back to you
'cause you're a stupid Fuckin' DICK!
