Too many years have gone by, and still i try  
But it's bringing back all these memories  
Of a time you took my one and only breath and you  
tried to controlled what my eyes could only see  
And now locked behind those doors, and im screamin'  
let me out  
Im trapped behind those doors, and i will

Crack, break, beat, bash, burn, burn  
Fuckin' kick and scream  
Freak out, go nuts, feel free, and just fuck it up  
And make people bleed!  
Crack, break, beat, bash, burn, burn  
Fuckin' kick and scream  
Lash out, cause pain, don't care because im insane  
Ill make people bleed!

Just go!

Violence all around  
Cuz' your stuck in kaos  
Peace can't be found  
Cuz' your stuck inâ€¦!  
Kaos

Why do i try to look you in the eye and convince you  
that it was not me  
You sentenced me to death because you know, that i  
would never be free  
And now locked behind those doors, and im screamin'  
let me out  
Trapped behind those doors, and i will

Stuck!  
In!  
Kaos!

Cuz' i'm stuck in kaos!

(x2)  
Why!?
