[Intro]

Driving down the road

In your beat up Cadillac

And it don't seem like you're comin' back to me

Even I can see it

Even I can see it, yeah

That you wanna be alone

But I'm still by the phone

Just in case

Just in case

But that was last week

And the future's so bleak for you and me - me and you

[Bridge]

Is the way you want it to be?

Hopelessly far away from me

Ask yourself, ask yourself

Over and over again

As I sit around my room

Which smells of your cheap perfume

I think about what could of been

But I guess wasn't meant to be

[Bridge]

Is this the way you want it to be

Hopelessly far away from me

Ask yourself, ask yourself

Over and over again
