Wait  
Troubles away  
We fell in love  
Around midday  
you make me feel so pretty !  
flying in the sky.

You're so strong  
you make me wild  
all night long  
but you're so pretty  
Yes, you're so sweet.

Yeah !  
Don't break the bar please dumbo ! (X2)  
Don't speak the bla bla bla bla (X2)  
Don't break the bar please dumbo !

hey mister dumbo !  
whisky, vodka, wine,  
tequila, wine, vodka  
peanuts or something !  
You're so greedy  
Diving in the wine.

In the wine

Yeah !  
don't break the bar please dumbo !  
don't speak the bla bla bla bla !  
don't break the bar please dumbo !
