Don't go !  
Henry ! (x4)

What 's your flavour ?  
Any kind is ok with me !  
And this is the good one  
Take that shitty song that i wrote for you !

When the lights down  
When we blow up  
This is the last time  
So take that shitty band that i offer you !

Henry !  
Henry...  
I hate Henry

Don't go !  
Henry ! (X4)

On the pavement  
Selling drugs as a paperboy  
And caught with the pants down  
Handcuffed by the cops that i called for you !  
Well this is the end of love  
Well this is the end of  
Handshakes, kisses,  
Your hands tied yo,  
Cause you will never,  
ever, ever go !

Henry !  
Henry...  
I hate Henry !

Don't go  
Henry ! (x2)  
What's your flavour ?  
Don't go henry  
What's your flavour ?  
Don't go !

WHat's your flavour ?  
Any kind is ok with me  
When the lights down  
Any kind is ok with me...
