My city is done
Everybody said : ?Â« don't stop, don't stop! ?Â»
A city avenger
Everybody said : ?Â« look for Jeffrey the cop ?Â»
Well I tried

My Jeffrey is gone
Everybody said : ?Â« the man is a rubber ! ?Â»
A city avenger
Everybody said : ?Â« look for Jeffrey the cop ?Â»
Well I tried

You don't need no explanation,
I travel the world
I travel the ocean
Hang on
You don't need no explanation,
I travel the world
I travel the world alone

?Â« Come back you little son of a bitch ! ?Â»

Got my mum on the phone
But the devil said : ?Â« don't stop, don't stop! ?Â»
Our desperate adventure
Everybody said : ?Â« look for Jeffrey the cop ?Â»
Well I tried
