Well i'm so tired,  
How long ?  
i've been around for trouble,  
A new kind of Liar,  
A liar, a liar, a liar....  
Try again and next time.  
Make me wild

Or you'll never  
be on the radio !  
Liar liar  
Liar liar !

Transistors on fire  
Come on !  
You know you can't deny this.  
And you come  
A liar, a liar  
A liar, liar....  
try and the next time  
Make me wild

Or you'll never  
be on the radio  
Liar liar  
On the radio  
Liar liar  
On the radio  
On the radio !

Please believe me it never ends  
You 've got a lovely machine !  
I know you watch behind the waves  
you're just a whistle unadvised  
You're just a,  
My favorite song  
You're just a,  
My favorite song...

Never, never, never, never !  
Liar, liar,

On the radio  
Liar liar,  
On the radio...
