Savage must die with words untrue
I see your propagating hate like the Hitler Youth
Never burn in hell with the likes of you
You've got the same rat voice like the crank fools
Wanna be be there when Rome falls down
Throw a little bottle watch it all burn down
U.S. of Hate! Kill the the red state
Hand on the trigger with shit on your face
Serving your agenda with the face of two
See your're damned and you're sick with the cries Of
the youth
Is this what you want to be?
World dominating killer country? Ask why!
Wanna be be there when Rome falls down
Throw a little bottle watch it all burn down
U.S. of Hate! Kill the the red state
Hand on the trigger with shit on your face
A whore to the man like the color red
See you're choking on the bile with the hate you spread
I take it, cock it, stick it in my pants
See they're coming after you, it's your very last chance.

Laura, Savage, Dick and Bush

A raging fire waits, see how it waits to consume

That's why!

How much money does it take to live?

How much life does it take to give?

That's why!
