Hey little girl dry your eyes  
Your dad he's on his way  
Don't hang your dress away  
Hey little boy you've cracked your blinds  
To watch him pull away  
And he doesn't see you cry

Their hearts are soft and gentle  
And yet you push them away  
You push them away  
Why can't you open your eyes?  
And see that they're dying inside

Where are you going?  
Where have you been?  
I've waited all night for you again  
Where are you going?  
Where have you been?  
I've waited all night for you

Beautiful baby dry your eyes

Drowning in your lies  
Deceived by your eyes  
I'm holding on to nothing  
Like water in my hands  
As it slips away

Hey little girl dry your eyes  
Your dad he's on his way  
Don't hang your dress away  
Hey little boy you've cracked your blinds  
To watch him pull away  
And he doesn't see you cry

Where are you going?  
Where have you been?  
I've waited all night for you again  
Where are you going?  
Where have you been?  
I've waited all night for you

Drowning in your lies  
Deceived by your eyes  
I'm holding on to nothing  
Like water in my hands  
As it slips away

Where are you going?  
Where have you been?  
I've waited all night  
Hoping that someday  
You'll realize that I'm

Drowning in your lies  
Deceived by your eyes  
Drowning in your lies
