this drowning sorrow is shaking me
more than it ever has before
the road signs reading bitter end
leave me suspect of a crime

the city air chokes me today
more than it ever has before
iÂ'm nervous to feel deserved
by these street signs anymore

are you
going to
be waiting up when i get home
weÂ'll stay up all night
getting drunk and watching sunsets on our porch

iÂ'm falling for you
iÂ'm falling for you
i fell for you

these empty feelings question me
of who i think iÂ've become
my mind is ticking life away
asking if you are the one

are you
going to
be waiting up when i get home
weÂ'll stay up all night
getting drunk and watching sunsets on our porch

iÂ'm falling for you
iÂ'm falling for you
i fell for you

iÂ'm dying to explain my heart
to you now
iÂ'm dying to explain my heart
to you now
thereÂ's so much on my mind itÂ's tearing me apart
thereÂ's so much on my mind itÂ's tearing me apart
iÂ'm falling for you

iÂ'm falling for you
i fell for you
