I'm watching you asleep
wondering if I'm in your dreams
did I catch you when you fell?
did I kiss your tears away?
Cuz I just wanna be
the man she sees in me
he seems so far away
he's calling out my name
but can I ever be
the man that's in her dreams?
I pray to be one day...

I'm far awake from you
I softly sing your name
I whisper words of love
and chase your fears away
cuz I just wanna be
the man she sees in me
he seems so far away
he's calling out my name
but can I ever be
the man that's in her dreams?
I pray to be one day...
