Iâ€™ve held on for so long
And thereâ€™s nothing more to give
Iâ€™ve made my mind up
Iâ€™m gonna live my life again
I know I still love you
But thereâ€™s nothing you can do
The right things are always
The hardest things to do

When I laid awake last night
I thought I heard you cry
Did I do something wrong?
Please forgive me
When I look into your eyes
Itâ€™s pain you cannot hide
You have to carry on please forgive me

Iâ€™ve held on for so long
And thereâ€™s nothing more to give
Iâ€™ve made my mind up
Iâ€™m gonna live my life again
I know I still love you
But thereâ€™s nothing you can do
The right things are always
The hardest things to do

When I laid awake last night
I thought I heard you cry
Did I do something wrong?
Please forgive me
When I look into your eyes
Itâ€™s pain you cannot hide
You have to carry on please forgive me

When I laid awake last night
I thought I heard you cry
Did I do something wrong?
Please forgive me
When I look into your eyes
Itâ€™s pain you cannot hide
You have to carry on please forgive me
