I wanted, to be like you
I wanted everything
So I tried, to be like you
And i got swept away

I didn't know that, it was so cold and
You needed someone to show you the way
So I took your hand and we figured out that
When the time comes I'll take you away

If you want to
I can save you
I can take you away from here
So lonely inside
So busy out there
And all you wanted was somebody who cares...

I'm sinking slowly
So hurry hold me
Your hand is all I have to keep me hanging on
And, please can you tell me
So I can finally see
Where you go when your gone

If you want to
I can save you
I can take you away from here
So lonely inside
So busy out there
And all you wanted was somebody who cares...

All you wanted was somebody who cares...
If you need me you'll know I'll be there

If you want to
I can save you
I can take you away from here
So lonely inside
So busy out there
And all you wanted was somebody who cares... (x2)

Please can you tell me

So I can finally see
Where you go when your gone...
