1. Hello?

Hello? Hello?

Course youre the only girl.

Youre all I think about.

Youre the only girl for me.

Youre all I think about.

Youre special.

You know I love you,

You know I love you.

2. You say you love me,

And I think that is true.

But every night my Papa tells me

I should watch you.

Now I say I trust you,

But I want you to know

Im not a sucker;

Chill out-your nose is growing, Pinocchio.

3. So now Im leaving,

And you know I tried.

All right, baby, no more lies.

Do-do-doo-oooh-oooh,

Do-do-doo-oooh-oooh,

Do-do-do-do-do-oooh-oooh.

4. You say no more lies,

And Ill try to understand.

But theres a little exaggeration

In almost every man.

Now I say I trust you,

But I want you to know

Want you to know

Sounds like youre cryin wolf, babe-

I think its time for me to go.

5. So now Im leaving,

And you know I tried.

All right, baby, no more lies.

But you dont appreciate

The time I take

All right baby, no more lies.

6. Hello? Youre the only girl for me

No more lies.

Youre all I think about;

Course youre the only girl;

You're special
