Ooh oh, oh yea, yea yea yea

If I could write a silly love song
I would write it about you, oh oh
The words would reflect your inner beauty, yea
And the melody your eyes saw too

Oh, I love more and more each day
And baby if I had my way
I would write a song all about you, boy
And I sing all over the world, oh oh oh

If I could write a silly love song, yea
You know the world would never be blue no
Oh oh, ooh ooh
I tell them all about your sweetness, yea
And the beautiful things you do

So all I'm really trying to say
Is baby if I had my way
I would write a song all about you, boy
And I'll sing everyday, yea yea
Do, ooh, ooh ooh ooh

So all I'm really trying to say
Is baby if I had my way
I would write a song all about you, boy
And I sing it all over the world, yea yea

Ooh ooh ooh, whoo, hoo hoo hoo
Ooh ooh, whoo hoo hoo

So silly, la la
Hey baby, la la
Just a sily
(Just a silly love song all about you oh)

So silly
La la la la la la la la
Just a silly love song
All about you, you, you, you, you

So silly, whoo la la la
Just a silly
(Just a silly love song all about you)
(You, you, you, you, whoo)

Just a silly
(Just a silly, just a silly, all about you, oh)
(Just a silly, just a silly love song
(All about you, you, you)
If I write a love song I'd write all about you
