Arms of an angel, heart of gold  
Eyes that can melt a soul  
Always you wait and care for me  
A love that is uncontrolled

Once and again our paths they cross  
Gently you speak to me  
"Worry not, baby you know me,  
Know that I'm only yours"

But you're goddamn liar  
Oh no, can't believe that I believed you, no  
Such a witch, you liar  
No no, did you really, really need to?  
No!

Time after time you break my heart  
Again and again you do  
Oh still how I need to be with you  
Crush me again, anew

"Worry not, baby you know me,  
Know that I'm only yours"

But you're goddamn liar  
Oh no, can't believe that I believed you now  
Such a witch you liar  
No no, did you really, really to?  
No! no no!

Be with me  
Stay with me, yeah  
Keeping me  
Breaking me, oh

'Cause you're a goddamn liar,

Oh no, can't believe that I believed you, no  
Such a witch, you liar  
No no, did you really, really need to?

You're goddamn liar  
Oh no, can't believe that I believed you, no  
Such a witch, you liar  
No no, did you really, really need to?
