Lost in darkness
Like a shadow there I was
Always searching for tomorrow yet to come
Never thought I would see again
See the light shine upon me

Can't you see me coming
Coming for you baby,
Coming there to take you from the light
Can't you hear me calling
Calling for you baby
So you better take on to the night
I'm the rising son!

I was haunted
But now I broke free from the spell
But now it's your time to live the nightmare all through
Never thought I would run again, run free across the
lands

Can't you see me coming
Coming for you baby,
Coming there to take you from the light
Can't you hear me calling
Calling for you baby
So you better take on to the night
I'm the rising son!

Lost in darkness
Like a shadow
Always searching for tomorrow
Haunted
But I broke free
It's your time now
To live it all through!

Can't you see me coming
Coming for you baby,
Coming there to take you from the light
Can't you hear me calling
Calling for you baby
So you better take on to the night

Can't you see me coming
Can't you hear me calling
I'm the rising son!
