You've been runnin' around, you've been nowhere to find
Drive me outta my mind again
Don't you tell me you're mine, that there's no other guy
Don't you play on that smile again
I know where you've been, that you're livin' in sin
That you'll just have me fooled again

I should let you go, girl I know
But your chains 'round my heart won't let go

Your love is for sale
Love to the highest bidder
Your love is for sale
Your love goes to one lucky sir
Your love is for sale
No more I am done
You know that you've won
Your love is for sale

You're a demon disguised, you're the queen of goodbyes
You're a devil that can't be tamed
Oh your cruel, cruel eyes got me so paralyzed
And I just can't escape this game

I should let you go, girl I know
But your chains 'round my heart won't let go

Your love is for sale
Love to the highest bidder
Your love is for sale
Your love goes to one lucky sir
Your love is for sale
No more I am done
You know that you've won
Your love is for sale

You tell me that I am the one
But I'll never be that, I am never enough
And I am too proud to be played, just too tired of this game
Still I beg you to stay

Your love is for sale, ooh
Your love is for sale, ooh

Your love is for sale
No more I am done
You know that you've won

Your love is for sale
