#### Chorus

You should save your life for those you love  
Cos they need you in their lives day and night  
They will miss you  
You should stay alive for those who love you  
And need you in their lives need you in their lives  
They need you

#### Verse 1

Many men and many women have said before that they  
don't believe that there's  
HIV in Africa HIV in Africa  
Most of them have passed away cos they refused to  
heed the voice  
The voice of warning, voice of warning  
Cos the voice of warning said  
If you really want to play you better play it safe it's  
better not to play but if you want to play use a condom  
so you'll never go wrongâ€¦

#### Chorus

Hook

#### Verse 2

Many times so many people will say to you that they  
don't know people with  
HIV in Africa, HIV in Africa  
They are living all around you  
So you should hearken to the voice, the voice of  
warning  
Cos the voice of warning said  
Whenever you use a needle if you want to stay alive  
Then you gotta sterilize the needle or any other  
instrument

#### Chorus

Hook
