RIGHT TO GO - Paul Weller/Mick Talbot/Dynamic Three

If we don't move - the moves our last

We deprive ourselves of our only chance

Now once and for all, the right must go

Now all for one - register to vote

Whatever you think - whatever you thought

It's a chance to show, that you can't be bought

You've got the choice, for what it's worth

You know a third terms gonna cut the earth

Disregard the cost is the party line

A nation filled with apathy, suits fine

To be unemployed and stay alive

No Torys gonna tell you one in five

One in five or one in three

The difference is they don't lose no sleep

Now once and for all the right must go

Now all for one - register to vote

The power that you need is in your hands

Or a one party state is how we'll stand

Every vote wasted, is our hopes lost

Make it your decision and your cross

X marks the spot, that could change your lives

Every vote cast for a better time

Now once and for all the right must go

Now one for all - register to vote
