I was half in mind - I was half in need,  
And as the rain came down - I dropped to my knees and prayed  
I said oh heavenly thing - please cleanse my soul,  
I've seen all on offer and I'm not impressed at all.

I was halfway home - I was half insane,  
And every shop window I looked in just looked the same  
I said send me a sign to save my life  
'Cause at this moment in time there is nothing certain in  
These days of mine

Y'see it's a frightening thing when it dawns upon you  
That I know as much as the day I was born  
And though I wasn't asked I might as well stay  
And promise myself each and every day that

When you're knocked on your back and your life's a flop  
And when you're down on the bottom there's nothing else  
But to shout to the top  
Well, we're gonna shout to the top!

Y'see it's a frightening thing when it dawns upon you  
That I know as much as the day I was born  
And though I wasn't asked I might as well stay  
And promise myself each and every day that

We're gonna shout to the top!

Shout!

We're gonna shout to the top!

Shout!

We're gonna shout to the top!

Shout!

We're gonna shout to the top!

Shout!

We're gonna shout to the top!

Shout!

We're gonna shout to the top!  
Shout!

So when you're knocked on your back and your life's a flop  
And when you're down on the bottom theres nothing else

But to shout to the top

[Shout]

We're gonna shout to the top!

We're gonna shout to the top!

Shout!

We're gonna shout to the top!

Shout!

We're gonna shout to the top!

Shout!

So when you're knocked on your back and your life's a flop  
And when you're down on the bottom theres nothing else

But to shout to the top

[Shout]

We're gonna shout to the top!

I'm gonna shout to the top!â€¦
