From the playground to the wasteground  
Hope ends at 17 -  
Sweeping floors and filling shelves  
Forced into government schemes -  
11 years spent to dig out ditches,  
Forget your schoolday dreams -  
Guarantees and lie-filled speeches,  
But nothings what it seems -  
Qualified and patronised and with everything to lose.  
No choice or chance for the future  
The rich enjoy less tax -  
Dress the girls in pretty pink  
The shit goes to the blacks  
A generation's heart torn out  
And covered up the facts  
The only thing they'll understand  
Is a wall against their backs  
The only hope now left for those - with everything to  
lose.

In desperation empty eyes,  
Signed up and thrown away -  
There's drugs replacing dignity,  
The short sharp shock repaid -  
There'll be no money if you dare to question  
Working the Tory way -  
The truth is up there carved in stone,  
Where 21 dead now lay -  
A family's loss for a few pounds saved -  
With everything to lose.
