WITH EVERYTHING TO LOSE - Paul Weller/Steve White

>From the playground to the wasteground

Hope ends at 17 -

Sweeping floors and filling shelves

Forced into government schemes -

11 years spent to dig out ditches,

Forget your schoolday dreams -

Guarantees and lie-filled speeches,

But nothings what it seems -

Qualified and patronised and with everything to lose.

No choice or chance for the future

The rich enjoy less tax -

Dress the girls in pretty pink

The shit goes to the blacks

A generation's heart torn out

And covered up the facts

The only thing they'll understand

Is a wall against their backs

The only hope now left for those - with everything to lose.

In desperation empty eyes,

Signed up and thrown away -  
There's drugs replacing dignity,  
The short sharp shock repaid -  
There'll be no money if you dare to question  
Working the Tory way -  
The truth is up there carved in stone,  
Where 21 dead now lay -  
A family's loss for a few pounds saved -  
With everything to lose
