I could be discontent, and chase the rainbows end,
I might win much more but lose all that is mine,
I could be alot, but i know i'm not,
I'm content just with the riches that you bring,

I might shot to win, and commit the sin,
of wanting more than i've already got,
I could run away, but i'd rather stay,
In the warmth of your smile lighting up my day,
The one that makes me say heh

Your the best thing that ever happened,
To me or my world, oh yeh
Your the best thing that ever happened,
So dont go away

I might be a king, and steal my peoples thing,
But i dont go for that power crazy way,
All that i could rule, but i dont check for fools,
All that i need is to be left to live my way,
So listen when i say,

Your the best thing that ever happened,
To me or my world, oh oh yeh,
Your the best thing that ever happened ,
So dont go away,
