I could be discontent and chase the rainbows end  
I might win much more but lose all that is mine  
I could be a lot but I know I'm not  
I'm content just with the riches that you bring  
I might shoot to win and commit the sin  
Of wanting more than I've already got  
I could runaway but I'd rather stay  
In the warmth of your smile lighting up my day  
(the one that makes me say, heh)

'Cause you're the best thing that ever happened to me  
or my world  
You're the best thing that ever happened - so don't go  
away

I might be a king and steal my peoples things  
But I don't go for that power crazy way  
All that I could rule but I don't check for fools  
All that I need is to be left to live my way  
(say listen what I say)

I could chase around for nothing to be found  
But why look for something that is never there  
I may get it wrong sometimes but I'll come back in style  
For I realise your love means more than anything  
(the song you make me sing - yeah)
