I feel you, I want you
I feel you, I want you
I feel you, I want you
I feel you, I want you
I feel you, I want you

I feel, alive
now I can breathe again
I call, your name, my friend
I hold, you close
the fire in my soul
so run, to me, again

I feel you, I want you
I know your touch is all I need
I'm waiting, you're shining
I feel you, I want you
I know your touch is all I need
I'm waiting, you're shining

I feel you, I want you
I know your touch is all I need
I'm waiting, you're shining
I feel you, I want you
I know your touch is all I need
I'm waiting, you're shining

I feel you, I want you
I feel you, I want you

I feel, alive
now I can breathe again
I call, your name, my friend
I hold, you close
the fire in my soul
surrounds, to me, again

I feel you, I want you
I know your touch is all I need
I'm waiting, you're shining
I feel you, I want you

I know your touch is all I need
I'm waiting, you're shining
