[Styles P & Akon talking]

What up John (testing one, two, three)

What up Kon (hey convict music)

Let's go (can you believe it)

(1st Verse) Styles P

Fresh white tee, fresh car walls, summertime hood
niggas look like stars

Jewelry drip, fresh white airs, mommy shake it up keep
your ass right there (ohh, can you believe it?)

My man got liquor and my cup's right here, I can smell
smoke pass the dutch right here

Nigga pass that, Capri pants with the waist cut off, I
wanna smash that (ohh, can you believe it?)

Party ran pack, mingling baby, and I can LL shit, you
jingling baby?

Back your ass up, I'm a start tingling baby, we can have
more fun than fingerling baby (yea, can you believe it?)

We can hit the club with a dutch and a dub with it,
nigga don't cuff it if you ain't in love with it

Matter fact let your bruh(bro) get it, please don't hate
cause at least you can say you was with it

(Chorus) Akon

Can you believe it? Take a lil break and get off the
streets, clear my mind from the shit I see

In a world full of smoke, contact from the weed, that's
when it really dawned on me

I'm a be here for life, i aint never gonna leave, the
ghetto is all that I know

It's just another day in the hood my nigga laying back
trying get this dough

yellin out ohhhhh, all up in the club and you know how
we roll, squad deep like ohhhh

Bad little bitch*s with their booty on swoll trying to beat
like whoaaaa

Know your ass feel it cause its outta control

Let me hear you say ohhhhh, let me hear you say
ohhhhh ohhh

Can you believe It?

(2nd Verse) Styles P

Big ass truck, brand new rims, tank top Yankee, tanned
out Tims

Bracelet, chain, fronts bob thin, new tattoos, new black
shoes (hey, can you believe it?)

Gucci, Ermays, do that too, wanna feel the breeze get
a new black coupe

Nigga drop the top, come thru the hood, put a hundred
on your three or your foul line shot (ooh. oohh, ohh can
you believe it?)

Linen outfits all in the bus cause none of us could see a
summer without trips (none of us can see it)

Mad hops so the little boys might bother you but they
all act good at the hood barbeque

(Chorus) Akon

Can you believe it? Get a break and get off the streets,
clear my mind from the sh*t I see

In a world full of smoke, attack from the weed, that's
when it really bond on me

I'm a be here for life, never gonna leave, the ghetto is
all that I know

It's just another day in the hood my nigga laying back
trying get this dough

yellin out ohhhhh, all up in the club and you know how
we roll, squad deep like ohhhh

Bad little bitch*s with their booty on score trying to beat
like whoaaaa

Know your ass feel it cause its outta control

Let me hear you say ohhhhh, let me hear you say
ohhhhh ohhhh

Can you believe It?

(3rd Verse) Styles P

Basketball tournament, pitbull pups

Ladies in the club poring Chris in cups

Niggas in the jail calling home on the phone (cause
they locked up)

But you still trying to act like ain't sh*t enough

Mad sieves in the park, mad fights in the park niggas
talk how they run every night from the narcs

Aside from the light to the dark then the dark to the
light, I wanna smoke but I could search for my life

(Last Verse) Akon

Can you believe it? I've done spent ten again, watching
her bend again, dancing for many men

Tell me have ever though about getting in, a room full
of convicts and D Block militants

We'll show you the time of your life, you can occupy my
passenger side

Introduce you to the street life, watch you fall in love
after just one night
Ohhhh, all up in the club and you know how we roll,
squad deep like ohhhh
Bad little bitch*s with their booty on score trying to beat
like whoaaaa
Know your ass feel it cause its outta control
Let me hear you say ohhhhh, let me hear you say
ohhhhh ohhhh
Can you believe It?
