(Intro)

Light it! Light it!...

Light it! Light it!...

Light it! Light it!...

Light it! Light it!...

Put it in the air

Light it!

Light it up in here

Light it!

Put it in the air

Light it!

Light it up in here

Light it!

(Verse)

Turned up, turned out

Burned up, burned out

OG kush and some girl scout

Cookies to turn my fuckin world up

Sour diesel, cat piss aids

So high Iâ€™m gone, Iâ€™ll be back in days

Light one, light two

Keep lighting up if you like to

Iâ€™m so high, Iâ€™ll make a weed cloud Skype you

Mary Jane is that shit

Take it to the face of the brain with that spliff

Addicted to the loud, Iâ€™m insane with that shit

(Bridge)

Say fuck that, Say fuck that

Say fuckin it

Say fuck that

Say fuck that, Say fuck that

Say fuckin it

Say fuck that

(Hook)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

(Verse)

Stoner, loner

Tell yo girl to bite the boner

Woke up out of the kush coma

Like it's was up next

Hell yea I rap nice, it's racks on deck

Hit the bay and go dumb

New York to get a guy, West Coast Lungs

I always look for the angle

The weed is right, this is from the City of Angels

I need it, believe it

If I ain't high then I'm heated

But I'm real cool when I'm weeded

(Bridge)

Say fuck that, Say fuck that

Say fuck that, Say fuck that

Say fuck that, Say fuck that

Say fuck that, Say fuck that

(Hook)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

(Verse)

Fuck that, light that

Police come, put it out and light it right back

You got a lighter use a strike match

I rose up, I twist up

I don't give a fuck, I light my shit up

I love weed, I need weed

My blood breathe, I probably bleed weed

Fuck yea, I'll probably breathe weed

Proud head and I'm proud of it

In the loudest let til I'm out of it

Then I find more smoke til I'm out of it

Styles be the ghost, Cloud 9 with it

(Bridge)

Say fuck that, Say fuck that

Say fuck that, Say fuck that

Say fuck that, Say fuck that

Say fuck that, Say fuck that

(Hook x2)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

Fuck that, I need weed (light it!)

Oh, man I live to get high with some weed

Oh, man I live to get high with some weed
