[Hook: x2]

Keep me high baby, keep me high baby
Keep me high baby, just a little bit
Keep me high baby, keep me high baby
Keep me high baby, just a little bit

[Verse 1:]

Smooth, yea you remembered
By the time I finished this blunt I'm gone til November
Kardashian money, running like Bruce Jenna
Chewin' like all of you, blunts on the table
Selling models that roll up
Jars full of kush and everybody was swollen
Cash from Morocco
Penthouse 5, I've got cash on the top floor
Jordan slippers and no lingerie
Chicks in bikinis, you never could go wrong
I'm just tryna show you my cool side
Some blowin' and zip pool side
Keep me high, matter fact keep me too out

[Hook:]

Keep me high baby, keep me high baby
Keep me high baby, just a little bit
Keep me high baby, keep me high baby
Keep me high baby, just a little bit

[Verse 2:]

Keep me high, dutch lit, bamboo
If not I' straight faced like Ted Smooth
Vacation, no national lampoon
Not Chevy Chase, I'm fedy chased
Blow a couple O's a day, I'm heavy weight
It's violent, listen love
Fuck me like a stewardess, I'm high like a pilot
Red eyes, gremlins, bar tabs, Andre, 3000 Benhamins
A hundred and 10 dutchies
Eyes look cheeky up under the Louie bucket
And I know I'm stuck but I'm still saying fuck it

[Hook:]

Keep me high baby, keep me high baby
Keep me high baby, just a little bit
Keep me high baby, keep me high baby
Keep me high baby, just a little bit
