[Intro: (Aja)]

What can I say? (ooohhh, yeeeeeaaahh!)

It's so real.

I don't even feel like talkin' most of the time... (yeee-
eeeeaaa-yeeaaaahhh,

Yeee-eeeeaaa-yeeeeeaaahhh!)

It's ironic that I happen to MC...

Then I don't really wanna say shit! (ooo-ooohhh-
ooohhh!)

Kinda funny, though... (yeeeeeaaahhh, ooohhh!)

Ha!

[Styles P:]

I always feel the ghost-es amongst me (yeah!)

I remember times when the roaches was hungry. (let
'em know!)

The livin' was grungy. - If it's money, I bungee until the
cord breaks;

(Sss!)

Thinkin' that I might be the one that's in the Lord's way.
(I might be!)

Am I the bad that's provokin' the good? (c'mon!)

We all ride! - All live and we smokin' the good. (we all
liiive!)

But my nigga on the reel to reel; (reel!)

We move stock - 'til we not for gettin' - killed for bills!
(it's like

That!)

And it's all about the chills and thrills - and the good
times (good

Times!)

It's like the mob, nigga, - in it 'til the hood dies!

(YEEAAHH!)

Addicted to the concretes, addicted to the crates!

(uhh!)

If we don't get a connect, - we stickin' up a wake. (word!
)

Whatchu know about a wake - with the bishop bein'
late? (whatchu know?)

All my jail niggaz standin' up, fists up to the gate.

(staand up!)

Faggot-ass CO's get the piss up in they face (ssshhh!)

Hold a grudge cause the judge never listened to the case! - Yeah!

[Chorus: Aja]

Even though you feel liike - cryyyiin'
Juuust keep on smilin'!
Believin' that, there is gonna beee,
Somethin' better past the paaaiin!
And even though it huuurts liike heeell
You, - juuust keep on giiivin'!
Doo-ooo-oon't stop moviin' aaand
It's all worth it in the eeend; you just keep the - faith!

[Styles P:]

You can see it but you just can't vision it! (see it!)
Society judge a man for the way - that he live in it.
(true!)
Either you gettin' money or deal with imprisonment;
No in between! (no in between!) - I'm gettin' green!
(sss!)
Spots in the world where - they don't know what dinner
mean; (damn!)
It's really not that crazy in the paint! (not!)
Hear 'Clef in the club. - Have Haiti on the brain! (salute!
)
Surrounded by liquor drinkers, niggaz makin' it rain.
(uhh!)
And the world's always changin' but we still need
change. (change!)
Life's a bitch. - Is death like a good woman? (huuuh!)
I ask that - cause I know the whole hood comin' (I
KNOW!)
And the fam' comin'. - And do!
Heaven got a' ocean or a dam runnin', tryna
understand somethin'; (tryna!)
Flowin' like a feather in the wind. (flow!)
It start off rough. - Do it get better at the end? (huuuh!)
Do I go to a place - where I don't never have to sin? -
Yeah!

[Chorus]

[Styles P:]

I'm wicked in my ways cause my temperament, (yeah!)
Ride for my crew and fuck - everybody's sentiment.
(ride!)
You enter in the dragon or "The Gangster And The
Gentleman" [inhale]
Saliva - is like poison - with adrenaline! (fear you!)
I spread love to the point I hit the hay line. (you know!)
Fuck jail and state time but you ain't gon' take mines!

(brother!)
It sucks when you livin on gun terms;
Rather be - high on the island gettin' sunburned!
[inhale]
Live 'til I'm old know what my daughter and my son
learned
Life is all real, my nigga. - You get one turn! (one turn!)
I'm tryna tell these boys that they oughta learn
It ain't just fire, my nigga. - Even water burn! - Yeah!

[Chorus]

[Outro 1: Aja - talkin']
Faith makes all things possible. (makes all things
possibleee!)
Faith is the reality of... (the realityyy!)
Things I hope for. (of things that I hooope foor!)
And the evidence of things not seen and told...
(evidence... of things NOT
Seen and toold!)
Keep the faith, y'all! (woooaaahhh!)
Hahahaaa! (Ill see you there!)
Just keep the faith y'all (ooohhh!)

[Chorus]

[Outro 2: Aja - singin']
Wooooaaa-ooooaaa-ooooaaa-ooooaaahhh
Smiliin'!
Yeeaa-eeeeaaahhh, ooohhh!
Somethin' better past the paaaiin!
