Favorite 4 words "THIS IS A ROBBERY"  
Next few words can be "Pardon Me,  
That was an Artery  
I don't know who the fuck started me."  
You think you nice, I wonder who lied to you  
You Butta, I'm a knife I slide through you  
You think I'm Lying?  
Where you live? I'll ride to you.  
Just one Deep  
Not 2 Deep  
Put 3 holes in you Just like loose leaf  
All bunch a holes in you  
Just like a Kufi  
If you know God or the Devil introduce me  
It's the Ghost brother!  
Get treated like a big bag of weed  
and get mother fucking smoked brother  
Cut the dumb shit  
Cuz I run shit  
You can get harmed when my palms on the gun grip  
All I want is Millions, Thousands & Hundreds.

I'm money hungry  
Whose serving?  
We can go to war like the Spartans & The Persians  
Riding in Suburbans with the couches and the curtains  
Whose ruthless? I know I am  
Make you sniff uncut dope out of Thailand  
Can't see the God from the lense out the sky cam  
Clear the vibe ride or the six ride  
get the baking soda tell them boys let the bricks fly  
Keep bark buzz and the piff high

Put you in the ground cuz I ain't letting shit fly  
Too many fake niggas  
With they Fake Ice  
Talking Fake shit  
You got a Fake life  
38 in ya mouth ~ Tell me what it taste like  
See me stop like you just seen break lights  
Pinky ass nigga, that's yo ass nigga  
50 cent gem star watch how it slash niggas  
From the forehead  
To the Adams apple  
I'm a Battle Man, you a Battle Rapper  
I'm talking real life shit  
Body dead, money missing, real crisis  
Real niggas know real talk  
Word to the money Nod and every dollar peeled off  
Word to every nigga that got his top peeled off  
Catch me in the Corvette  
High when I peel off
