Styles P:

DJ OP, waddup my man
SP The Ghost, Poobz extravanganza
Let's go my niggaz

Styles P:

I spit pain where the mic is, how life is
And come through on the night shift
I know long days, I know wrong ways
Try to forget about it, blowing on strong haze
Comes back to me when a certain song plays
Catch a vibe when a piano or horn plays
Hit the lab, tell Poobz to pull a beat up
Sit and then roll the weed up
My niggaz still trippin', flippin' goin' to re-up (still rein')
Throwin' rocks at the pen, all the shit for trickin' off
senoritas
Brag to ya man on how you doin' better
But can't help him out, now you catch a two in ya
newest leather
Bought a Coupe, and they said you was soup (damn)
Now they wanna turn you to soup, throw ya ass for a
loop
It aint fruit, boy you dealin' with beef
No 911, keep it real in the street
Stay the fuck in the house, what you huffin' about?
When you go to jail, barely be stuck in the house
Can't go to the yard, niggaz know you a fraud
You ain't lookin' right, anytime a soldier's involved
This rap shit, get niggaz confused
They know about the streets and all the real niggaz'll
lose
I could give you the news, but if it give you the blues
Still tryna figure out, when I hitted the jewels
You can wear 'em or please share 'em when I give 'em
to you
And I ain't bein' literal, I'm bein' lateral
Your brainwave and my data and compatible
But I can take ya brain away once I splatter you
I don't wanna battle you, rat-tat-tattle you
You don't even matter duke, fuck who you matter to

Nigga

Tre Williams:

Street Life

it's the only life I know

Street Life

And I can't let this hustle go

Street Life

See I been out here way to long

Street Life

To let someone come run me home

And these streets is all I know

Ohhhhh, yeah (D-Block)

Said it's all I know (Niggaz know what it is)

These streets, oh, these streets

(SP The Ghost, Poobz)

I'll take it all for real

Yeah, ohhhh-whoa

Yeah

My life my life my life my life

In these streets

In these streets

See I live in these streets, hustle these streets

Roam in these streets, lay in these streets

Oh

Said it's all I know

These streets, yeah
