Fly high, ey,... me,... angel, ok

Drop me like a lump onto my feet
Light and protect me when things get...
Even though... need,... catch me in
Drop me like a lump onto my feet
Light and protect me when things get...
Even though... need,... catch me in
I pray that my soul you keep,... where the angels sleep

Life is getting way too deep when I die
I wanna go where the angels sleep
Yeah I'm outside trying to make hands meet my...
... room 2, niggers is shoot you, it's crucial
Ain't...
... the dutch, and the deuce deuce
Spit on a duke to get loot
I'm the shit... shit is a... like a pimp, a shit too
Right on up and them fists is getting clinch too
Give them a hand and them niggers will take a...
Fall to they style and them niggers will try to style on
But not me nigger, won't caught me nigger
Can't cop me nigger
I always got with a good plan
That don't work, I switch out to the hood plan

Drop me like a lump onto my feet
Light and protect me when things get...
Even though... need,... catch me in
Drop me like a lump onto my feet
Light and protect me when things get...
Even though... need,... catch me in
I pray that my soul you keep,... where the angels sleep

Gone is protection, x is intersection
Trunk full of... in the chevy, pulled in a Wesson
Fire will burn but we never would learn a lesson
Till the cell door close, move more keys
And we sell more hoes, and bag more friends
We wanna be criminals we have more plans but it
ain't...

It's rocks in this pot that I gotta hand out
As soon as they... out
That's the old days, this the new days
Now it's... this kush
... wifi, clear as blue wave,
But still old school like the...
You could play with the... bang your bandana
Ask me to go sir, ask me the most
Lyrical motherfucker in the game no jokes
45 will leave your ass hot, no smoke

Drop me like a lump onto my feet
Light and protect me when things get...
Even though... need,... catch me in
Drop me like a lump onto my feet
Light and protect me when things get...
Even though... need,... catch me in
I pray that my soul you keep,... where the angels sleep
