[Verse:3 Styles P]

I can tattoo a couple tear drops
Drop tears powder on my hand while my ears pop
Like Tony Montana with a bandanna
Riding like doe when they shot Ricky
Don't even light it up if itÃ¢â¬â,â¬âs not sticky
You don't even get a pass if you not with me
Right before the game itÃ¢â¬â,â¬âs the shoot around
Right before you go to cop the cane pull the hoop

Better watch it for cops or state troopers round
