I know that you just hate when everybody stops and  
stares  
Your face turns red  
You sweat  
Run  
It's gonna happen everywhere  
Don't fight it 'cause you know I'll be wherever you go

This might go against your nature  
We can talk about that later  
Shut your mouth and keep your hands inside  
It's a dangerous ride

You can't avoid that  
Boy get down low  
Be my sunshine  
I'll always be your shadow  
Baby you're my boy and I'm your girl  
Baby I'm your girl

Try if you like to hide  
I'll always find out where you are  
Think twice before you run  
I know you'll never get that far  
I know that deep down you want this as much as I do

This might go against your nature  
We can talk about that later  
Shut your mouth and keep your hands inside  
It's a dangerous ride

You can't avoid that  
Boy get down low  
Be my sunshine  
I'll always be your shadow  
Baby you're my boy and I'm your girl  
Baby I'm your girl

A-B-C  
What you do to me  
D-E-F

With my head again  
G-H-I  
Can't take it no more

A-B-C  
What you do to me  
D-E-F  
With my head again  
G-H-I  
Can't take it no more

A-B-C  
(A-B-C-D-E-F-G-H-I)  
What you do to me  
D-E-F  
(Can't take this)  
With my head again  
G-H-I  
Can't take it no more

A-B-C  
(A-B-C-D-E-F-G-H-I)  
What you do to me  
D-E-F  
(Can't take this)  
With my head again  
G-H-I  
Can't take it no more

This might go against your nature  
We can talk about that later  
Baby you're my boy and I'm your girl  
Baby I'm your

One and only so do us both a favour  
Be my lover  
Don't be such a hater  
Baby you're my boy and I'm your girl  
I'm your girl

You can't avoid that  
Boy get down low  
Be my sunshine  
I'll always be your shadow  
Baby you're my boy and I'm your girl  
Baby I'm your girl
